Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e. a first-come first-serve basis, based on the date of upload of each Application in to the Electronic Book with the Stock Exchange, in each Portion subject to the Allocation Ratio indicated at the section titled “*Issue Procedure – Basis of Allotment*” at page 297 of the Prospectus.

As per the SEBI Master Circular, the allotment in this Issue is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchange. However, on the date of oversubscription and thereafter, the allotments should be made to the applicants on proportionate basis.

*Under Subscription:* If there is any under subscription in any Category, priority in Allotments will be given to the Retail Individual Investors Portion, High Net Worth Individual Investors Portion, and balance, if any, shall be first made to applicants of the Non-Institutional Portion, followed by the Institutional Portion on a first come first serve basis, on proportionate basis. If there is under subscription in the overall Issue Limit due to undersubscription in each Portion, all valid Applications received till the end of last day of the Issue Closure day shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where NCDs uploaded into the platform of the Stock Exchanges on a particular date exceeds NCDs to be Allotted for each portion respectively.

Minimum Allotments of 1 (one) NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application to all Applicants.

*Allotments in case of oversubscription:* In case of an oversubscription, allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of NCDs to the Applicants on the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchange, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

In case of an oversubscription in all Portions resulting in an oversubscription in the Issue Limit, Allotments to the maximum permissible limit, as possible, will be made on a first-come first serve basis and thereafter on proportionate

basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants on the date of oversubscription and thereafter in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion).

In case there is oversubscription in Issue Limit, however there is under subscription in one or more Portion(s) Allotments will be made in the following order:

- (i) All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Issue Period, shall receive full and firm allotment
- (ii) In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application in to the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Investors Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications to the Electronic Book with Stock Exchange during the Issue period.
- (iii) For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Issue Period.
- (iv) Proportionate Allotments:  
*For each Portion, on the date of oversubscription and thereafter:*
  - a) Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.
  - b) If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue Limit, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.
